

We protect your patients, your employees and your practice.

We protect what matters.

Preferential rates for Henry Schein Dental customers.

In Dental Care, the Security of Patient Information is Critical.

Since 1988, Shred-it has provided information destruction services to over 400,000 customers on 5 continents. We help you meet your compliance obligations with reliable, on-time service. Whether it's a clear out of archived materials or regularly scheduled service, we help you prevent confidential information from ending up in the wrong hands.

- Secure destruction of paper, hard drives and x-ray film
- Secure Chain of Custody: vetted staff, barcode scanning, Certificate of Destruction
- FREE Data Security Survey to assess your needs and areas of risk
- Regularly-scheduled or on-demand services
- Secure containers in a variety of sizes
- Shredded materials are 100% recycled

For more information or to book your FREE Data Security Survey visit hsbusinessolutions.co.uk/course/shred-it and submit an enquiry, call 0800 023 2558 or speak to your local Henry Schein Dental Field Sales Consultant.
